Comments from previous presenters

- *"The Church Alive Conference is certainly one of the most serious conferences in which I have participated. You continue to hold the standards high. I was greatly blessed by the presenters. Dr. Robert Smith, Jr. - Beeson Divinity School - Samford University*
- *Each year the conference gets stronger and stronger. Inspiration, information, theology, practical helps for ministry, and quality beyond measure are words I have used to describe what I experienced. Dr. Gene Mims - Judson Baptist Church - Nashville, Tennessee*
- *I made the journey from Georgia along with a colleague and we were richly blessed. The incredible worship experience afforded us many opportunities to be ushered into the manifested presence of God in a very powerful way. The Conference provided me with some great affirmations on hat I had been doing as well as one new insights on how to become more effective and efficient as I strive to provide excellent pastoral leadership for God's people. - The Rev.
